Provide a detailed description of your pork production role, company and industry experience on separate page(s). This must accompany this application to be considered for award recognition.

Advancement of the We Care responsible pork initiative is central to this award. Please outline your activities and how they align with this initiative. Community involvement is a pillar of We Care and is critical for Master Pork Partner award selection. Involvement in church, school, Extension/4-H and other community leadership should be included.

Please list any local newspapers and radio stations with which we can share press information should you be selected for this award.

This nomination form, for the Master Pork Partner nomination, must be completed and submitted to IPPA by August 21, 2017. An on-farm visit will be set up this fall by November 17th, 2017. The state winners will be notified by December 1, 2017.

SIGNATURE _____ DATE _____
